Dear «SALUTATION»:

Without a doubt, the secret to the success of the Midland County Republican Party is YOU!

Our historic run of successful past elections — at the local, state and national levels — is because of your generous support.

This past election was another clean sweep! Just look at what we accomplished together:

- The election of John Moolenaar to the U.S. Congress, who is now serving on the Agriculture, Budget and Science, Space and Technology Committees;
- The reelection of Attorney General Bill Schuette as Midland's first ever statewide officeholder;
- The election of Jim Stamas to the State Senate, who is now the Assistant Majority Floor Leader;
- The reelection of Representative Kevin Cotter, who is now the Speaker of the House;
- The reelection of Representative Gary Glenn to the State House of Representatives, who is now the Vice Chair of the Energy Policy Committee;
- The election of Prosecuting Attorney J. Dee Brooks;
- And the election of a full board of Republican County Commissioners for a second straight time.

Remember that the Democrats were out in full force in the 2014 election, targeting both of our State House races.

I have no doubt that they will double down their efforts in 2016. *Not only do we have an opportunity to put a Republican back in the White House*, but right here in our own backyard, we have so much at stake:

- The first reelection for Congressman John Moolenaar;
- Elections in the State House, which include the open 99th District House Seat;
- Elections for all our county officials, and;
- An open seat on Michigan's Supreme Court.

We've proven in Midland County, successful elections are not won in October of an election year. They start right now with your financial gift and your 2016 membership in the Midland County GOP.

Your generous support of our Republican team allows us to continue the activities that make us the most successful county party in the entire state. Our record-breaking fundraising allows us to continue:

- Making direct contributions to candidates; and
- Traditional and high-tech voter outreach through a multiple of mediums (door hangers to 15,000 Midland residents; newspaper advertisements reaching 45,000 households; social media advertisements and messaging reaching hundreds of thousands of individuals).

Please return your 2016 membership of «\$CONTRIBUTION» to the Midland County Republicans today, so we can begin planning for victory.

Together, we will win in 2016! Thank you for your continued support!

Sincerely,

Cathy Leikhim
Chairman, Midland County Republicans
